

Apostille for Documents Issued in the U.S.

If you have a document which you want legalized for use in another Convention country, the Convention certification called an *apostille* must be affixed to the document by a competent authority. The *apostille* is a pre-printed form prescribed by the Convention. The *apostille* must be affixed at the government agency in the country which issued the original document. **The Embassy does not have the authority to affix an *apostille* to your American documents.**

PROCEDURE:

Since the authorities designated by the U.S. to affix the *apostille* can only attest to the validity of certain seals, it may be necessary for you to obtain some intermediate seals on your document, depending on the origin of the document, before the *apostille* can be affixed. There is no single U.S. competent authority to issue the Convention *apostille*. There are different authorities for documents originating in state and local jurisdictions, Federal courts and Federal government agencies. Contact the competent local authority who will affix the certification (*apostille*) on your document. Please see appendix B (page 3 and following) for a list of the competent authorities. If it is necessary for you to obtain some intermediate seals on your document before obtaining the Convention *apostille*, consult the appropriate state or federal authority listed.

Hague “Apostille” Authentication Certificate:

Article 7 of the Convention provides for the use of a standardized authentication certificate called an *apostille*. A sample *apostille* certificate is provided in appendix C on page 14. The *apostille* consists of the following: 1) name of country from which the document emanates; 2) name of person signing the document; 3) the capacity in which the person signing the document has acted; 4) in the case of unsigned documents, the name of the authority that has affixed the seal or stamp; 5) place of certification; 6) date of certification; 7) the authority issuing the certificate; 8) number of certificate; 9) seal or stamp of authority issuing certificate; and 10) signature of authority issuing certificate.

Fees:

Fees charged by federal and state government authorities are listed below. Please note that fees vary from state to state and are subject to change.

FEDERAL COMPETENT AUTHORITIES:

If the Origin of the Document and/or Seal is a Federal Executive or Administrative Agency, Contact:

New York authorities in Albany advise that documents issued in the nine down state counties are authenticated under the Convention by the New York City office. The nine down state counties are New York, Kings, Queens, Bronx, Westchester, Nassau, Suffolk, Rockland and Richmond. The address of the New York Department of State, Certification Unit is 6th Floor, 270 Broadway, New York, New York 10007, tel: 212-417-5684. **Fee: \$10.00**

How do I obtain an Apostille or Authentication?

- **All birth and death records originating from the five boroughs of New York City** (Bronx, Kings, Manhattan, Queens, Staten Island) must be certified together with a Letter of Exemplification by the New York City Department of Health, <http://www.ci.nyc.ny.us/html/doh/home.html> Bureau of Vital Records, 125 Worth Street, New York, NY 10013. The original document must then be presented to the County Clerk's Office in the county where the document was obtained to verify the signature on the Letter of Exemplification. The document can then be presented to the New York State Department of State for authentication.
- All marriage records originating from the five boroughs of New York City (Bronx, Kings, Manhattan, Queens, and Staten Island) must be obtained from the Marriage Bureau, Municipal Center, 1 Centre Street, 2nd Floor, New York, NY 10007. Obtain a certified copy of the marriage certificate with an original signature of the City Clerk. The document must then be presented to the County Clerk's Office in the county where the document was obtained to verify the signature of the City Clerk. The document can then be presented to the New York State Department of State for authentication.
- **All birth, death, marriage and divorce records issued outside of the five counties of New York City** can be obtained from the New York State Department of Health, <http://www.health.state.ny.us/nysdoh/consumer/vr.htm> Certification Unit, Vital Records Section, PO Box 2602, Albany, NY 12220-2602. The document can then be presented to the New York State Department of State for authentication.
- **Birth, death, marriage and divorce records issued outside of the five counties of New York City** may also be obtained directly from the local registrar or town clerk of the city, town or village where the birth, death, marriage or divorce occurred. The original document must then be presented to the county clerk's office in the county where the document was obtained for certification. (It is suggested that you contact the county clerk's office prior to obtaining the records to determine if their office can certify documents obtained from a local authority.) The document can then be presented to the New York State Department of State for authentication.
- **Education documents (transcripts, diplomas or certificates)** must be obtained from an official of the school, college or university who must certify that the document is an official record or a true copy of the original document. The official's signature must be notarized by a notary public. The document must then be presented to the County Clerk's Office in the county where the notary public is qualified to certify the signature of the notary public. The document can then be presented to the New York State Department of State for authentication.
- All other documents submitted to the New York State Department of State for authentication must first be notarized and then have the notary's signature certified at the county clerk's office where the notary is qualified.
